SCREEN SCOTLAND SGRÌN ALBA

Screen Scotland is the new dedicated partnership for screen in Scotland, delivering enhanced support for all aspects of Scotland's screen sector.

Screen Scotland is leading the growth of the sector through increased funding and support for film and television production, an increase in specialist staff and further investment in skills, festivals, audiences and education.

Screen Scotland sits within Creative Scotland and is a partnership with Scottish Enterprise, Highlands and Islands Enterprise, Skills Development Scotland, Scottish Funding Council, with funding from the Scottish Government and the National Lottery.

We are funding, developing and growing Scotland's screen sector by:

- Boosting production by increasing funding and support to grow the number and diversity of film and TV productions from Scotland
- Creating specialist business development provision for screen businesses ensuring that advice and support is appropriate and easy to access
- Improving employment opportunities in the sector through increased and co-ordinated opportunities for training and development
- Developing audiences by improving access to Scottish film and TV productions at home and internationally
- Growing and improving Scotland's screen infrastructure including studio facilities
- Developing Scotland's reputation as a destination for international productions and co-productions, supported by our world-class talent, crews, facilities and unique locations.

What is the purpose of the Production Growth Fund?

The Production Growth Fund aims to help grow Scotland's screen production sector, creating employment opportunities for Scottish crews, encouraging the use of production facilities, providing significant opportunities for the professional development of producers based in Scotland, and delivering a direct and significant economic benefit to Scotland. It seeks to do this by attracting large scale productions into the country, and maximising spend in Scotland.

The Fund has a budget of £2m for the period 2018/19 and is available to qualifying productions in the form of a non-recoupable grant.

What will we fund?

We will fund live-action and animated features, and live-action and animated high-end television drama series that demonstrate the ability to create employment opportunities for crew, that utilise production facilities companies based in Scotland, provide co-production opportunities for producers based in Scotland and that deliver a direct and significant economic benefit to the screen production sector in Scotland.

What can I apply for?

You can apply for a grant towards the production costs of a project that will be shot and/or post-produced wholly or partially in Scotland.

Who can apply?

Producers based within and outside Scotland can apply if they are able to demonstrate that by accessing the Production Growth Fund they will secure major production and/or post-production expenditure within Scotland, employing cast and crew based in Scotland, and/or using Scotland-based production facilities companies, thereby significantly increasing the economic benefit to Scotland.

If you are a producer based outside Scotland, the attachment of a Co-Producer based in Scotland could enhance the overall benefits for Scotland, which taken together with a significant spend to funding ratio will strengthen your application. Applications for the support of projects that aim to maximise training opportunities for crew based in Scotland are encouraged and welcome.

How much can I apply for?

- Awards are likely to range from £200,000 up to a maximum of £500,000.
- The ratio of the Estimated Scottish Spend to the level of funding requested should be a minimum of 8:1.

If you are considering applying for any other Creative Scotland funds for the same project, please contact a member of the Screen Scotland Team to discuss in advance of an application. Please email screen@creativescotland.com with brief details of your project and which funding routes you are considering applying to.

When can I apply?

There are no deadlines and applications will be accepted on a rolling basis until all the funds have been allocated.

How long will it take to get a decision?

Decisions will take up to 12 weeks from the date we receive your application form and we have all the relevant information required to make a full assessment.

Further Guidance

- Your project must be in an advanced stage of development and financing and you should be aiming to commence budgeted prep within 12 weeks of a decision being made.
- Awards will be in the form of a non-recoupable grant.
- You will be required to supply a full production budget, production schedule, post production schedule and finance plan along with your application.
- You will be required to provide a fully detailed breakdown of your Estimated Scottish Spend in the form of an Estimated Scottish Spend Budget. Further guidance on **allowable Scottish spend can be found on our website here**.
- We will require customary security and/or takeover arrangements to be put in place (for example, a bond) to ensure completion and delivery of the project in accordance with the script, budget and schedule.
- We will require approval over all key elements of the production, including the finance plan, the terms and conditions of all finance, and the budget and schedule.
- A contribution of £7,500 towards Creative Scotland's legal costs must be budgeted for on all projects supported by the Production Growth Fund.
- Priority will be given to projects that provide significant opportunities for producers, production staff, craft and technical trainees based in Scotland.
- Disability Access Materials must be budgeted for within the production budget, regardless of whether a UK distributor is attached at the point of application. This should include the creation of a subtitle file for the hearing impaired (to include dialogue and sound effects of the Film suitable for use for captioning/subtitling purposes); and an audio description track for the visually impaired in an appropriate format for use in theatrical distribution. These should be supplied in the proprietary format for Dolby Sreentalk and DTS CSS discs.
- You will be required to ensure that any agreement for the distribution of your film in the UK provides for distribution of soft-subtitling and audio description materials in cinemas and on any DVD release of the film.

Equalities, Diversity and Inclusion

As a lottery distributor and public funder, Creative Scotland is committed to addressing diversity in film and television, as outlined in our review of equalities, diversity and inclusion in Scotland's screen sector, **Equality Matters** (2017) and elsewhere.

A proactive approach to increasing diversity can improve screen projects creatively, fuelling innovation and creativity, and engaging audiences through a wider range of stories, perspectives and experiences. It can also benefit projects commercially, attracting wider audiences and generating greater revenues. Creative Scotland believes that true representation both on and off screen is vital for the sustainability and equity of the screen sector.

Applications for support to all screen funds will be strengthened by a specific and targeted contribution to improving diversity. The BFI's **Diversity Standards** provide detailed guidance to potential approaches.

Assessments will be made on the basis of the information you provide in your Application Form and any supporting materials submitted. We may contact you during the assessment process to seek further information about your project or to seek clarification on aspects of the information you provide.

How we will make our decisions:

Following initial assessment and officer recommendations, the Screen Scotland Team and the Director of Screen will make recommendations to Creative Scotland's Senior Leadership Team, who will make the decision.

Once a decision is made:

Once we have made a decision, we will send an email to let you know the outcome of your application. If you are successful, we will send you information that tells you if there are any specific conditions of the award that have to be met before we can confirm the award. Once specific conditions, if any, have been met we will issue you with a Funding Agreement. You must note and adhere to all the terms and conditions of the Funding Agreement.

At this point we will also ask you for your banking details, and agree a payment schedule and cash-flow with you, which will normally be against agreed milestones. You will need to return a signed copy of our Funding Agreement, and once all conditions are met, we will release the first instalment of your award.

If your application is unsuccessful, we will send you an email to let you know why, and inform you of any options for addressing the reasons why it was unsuccessful.
